

WHO'S MY NEIGHBOR?

Getting to know the **people next door.**

"Go home to your friends and tell them how much the Lord has done for you, and how he has had mercy on you."

-Mark 5:19

How will you love and **SERVE** your neighbors?

We show our love for God and
love for all people in our pathway
when we **SERVE!**

S I will **serve** others by responding joyfully to their needs.

E I will **engage** the people God has placed in my pathway and pray for them.

R I will **retell** Jesus' story and how He is working in my life.

V I will **value** others by listening to them and understanding their story.

E I will **eat** meals and spend time with those who need Jesus.
